OBJECTIVE

Are you searching for a goal-oriented individual with a strong desire to succeed and lead others to success? Are you looking for an enthusiastic, self-starter with strong interpersonal skills and a desire to work with people? Look no further, for I am more than qualified for the position you have open! I start school this fall in Boston; however I am available to start work whenever possible. I also have the option to attend school online if I receive a good enough offer which would require travel or relocation.

I would appreciate the opportunity to meet and further share with you my qualifications and enthusiasm for joining your team. I also invite you to review my attached resume and thank you for your consideration.
